EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, line 6 replace "opposing" with --opposed--.

2. The following changes to the drawings have been approved by the examiner: Figures 3-5 must be labeled "Prior Art". In order to avoid abandonment of the application, applicant must make these above drawing changes.

3. The following is an examiner's statement of reasons for allowance: The prior art does not teach or suggest an elastic member interposed between the first sheet member and the second sheet member at the second space with the elastic member having an elastic deformability higher than the elastic deformability of the first sheet member within a switch.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
